Student-led Exercises

Prep ---- Review the SCHOOL Meditation below** to show students.

1. Teacher asks students to sit together in one big circle on the reading rug.
2. Students can alternatively sit at their desks.
3. Teacher says, "Let's sit in Easy Pose, nice and tall, and with our Smiling Calm Hearts ready."
4. Teacher writes the words **SLOWING DOWN** and **FOCUS** on the whiteboard.
5. Teacher asks if anyone knows the definitions of **SLOWING DOWN** and **FOCUS**.

7. **Teacher demonstrates a SCHOOL Meditation while sitting in Easy Pose.

Hands move in the following pattern with the words:

Calm – hands are on the knees with thumbs and index fingers touching

Brain – hands are on the knees with thumbs and middle fingers touching

Calm – hands are on the knees with thumbs and ring fingers touching

Hearts – hands are on the knees with thumbs and little fingers touching

8. Teacher asks for a volunteer to come to the front of the class to lead the SCHOOL Meditation to help us **SLOW DOWN** and **FOCUS**.

9. Teacher may ask for more volunteers to lead the SCHOOL Meditation as time allows.
10. Close the entire SCHOOL Meditation group session with one Calm Breath in and one Calm Breath out. 🧡✨🧡✨🧡
